

Heidi Alteneder

I am a native of Victor Mt. I attended the University of Montana (UM) and graduated in 2016 with a Bachelor of Music in Piano Performance and Pedagogy, as well as a Bachelor of Music Education with an emphasis in vocal performance.

I was very involved throughout my college career at UM. I accompanied for a number of musicians including the UM Chamber Choral and have been the full-time pianist at my church since I was fourteen.

I served as the president of the UM Keyboard Society for two years, working to organize trips to conferences throughout Montana and the United States, among other things. I have also given presentations at the Montana State Music Teachers Association conferences as a pedagogy major

I have been teaching private piano lessons to students of all ages since my freshman year at UM. I really enjoy the one on one lesson format, where learning can happen on an individual needs basis.

I also took a year of American Sign Language classes simply because I find the language fascinating!

Throughout my time at the University, I was an active member in the UM Women's Choir, the University Choir, The UM Grizzly Marching Band and UM's select Chamber Chorale, as well as many smaller piano ensembles.

I enjoy making music, performing alone and with others, teaching and sharing my passion for music with my students.
